

the CUBE 18 series
interchangeable office furniture system

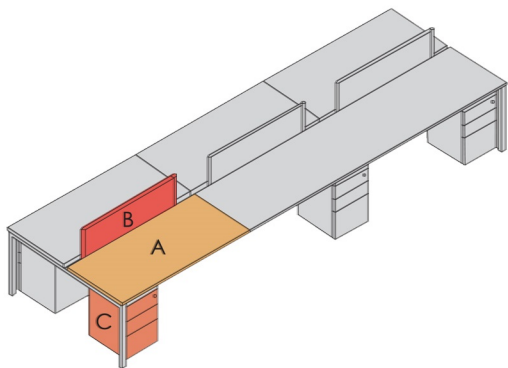

ARIES®

An expandable steel frame means you can make changes to a modern workstation a conference table, using smart **Cube 18** connectivity. Add **Cube 18** privacy panels, divider panels, desk returns, under desk cabinets and many more "add-on" accessories to create your own stylish, highly functional space

MAIN DESK
SIDE RETURN
MODESTY PANEL

ARIES[®]

TASK DESK OPTIONAL DIVIDER

Cube 18 is an ingenious modular system, not just because of the simplicity of connecting and reconfiguring - but also because there are many creative opportunities for customisation. For example Aluminium framed panels can be supplied in your choice of color and materials

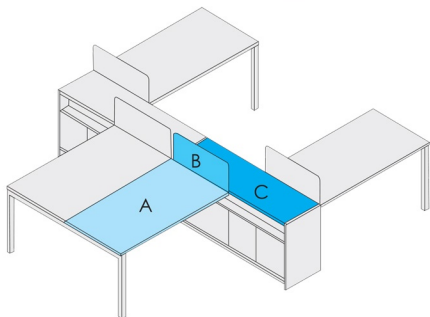

ARIES®

CUBE 18

CUBE 18

Here is a low Divider-Cabinet & Desk option. The cabinet serves as a connecting device for desks in the workstation. By choosing desks with a railing system or without, you can configure the workspace according to privacy, function & design needs

SLIDING DESK
DIVIDER (18MM)
DIVIDING CUPBOARDS

ARIES®

TASK DESK OPTIONAL DIVIDER

CUBE 18

Now you can easily and cost-effectively design and configure a stylish and productive workplace.

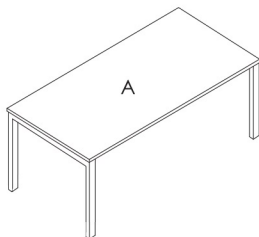

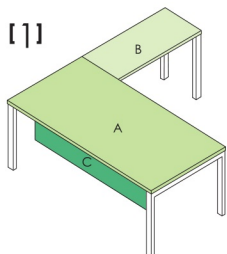

With the ingenious **Cube 18** range you can add core components together with amazing ease, and interchange them to create open or private workspaces.

See how **Cube 18** with its minimalist style and clever connectivity is the refreshing way to transform your office environment again and again.
