ARIES®

ALWAYS YOUR
FIRST CHOICE

FLEXI 63

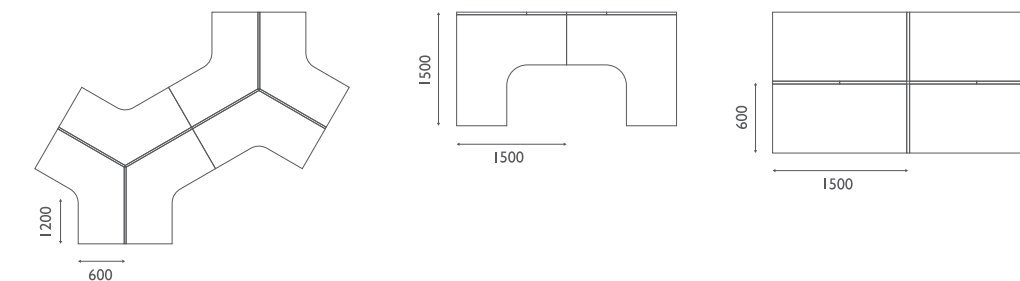

WE CREATE THE GREATEST PLACE TO WORK FOR YOUR TEAM

Flexi 63 at 120 degree configuration provide sociable environment in workplace by having great amount of working space with irregular office dimensions.

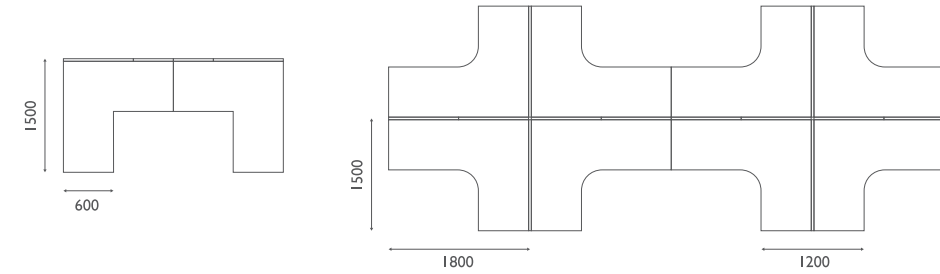

COLLABORATIVE AND TEAMWORK OFFICE SETTINGS

Flexi 63 offers simple yet practical designs to enhance the maximum use of space. Ergonomic work surfaces, easy-to-reach storage and comprehensive cable solutions are some important features to create a dynamic workplace for the modern office.

MODERN CONTEMPORARY MODULAR STRUCTURE DESIGNED FOR FLEXIBLE SOLUTION

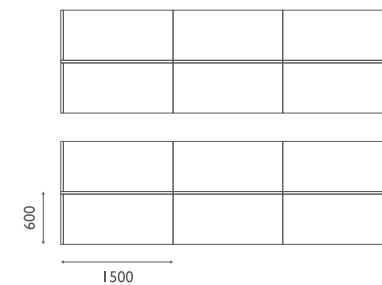

Flexi 63 panels provide well organised wire management system to complement the workplace. Any forms of wiring can be placed at any desire position - above table top, underneath table top or bottom raceway which is very convenient for user to access or devices that require consistent power sources. All wires are hidden in the panels so the best will look neat and presentable.

Flexi 63 redefined is simple to install, expand and reconfigure to adapt to organisation structure change. It is the most popular system in the industry due to it flexibilities.

Flexi 63 panels is a system that provide easy horizontal extendibility. It is a favorable systems for organisation that have future expansion plan within the office layout.

SIMPLE YET DYNAMIC

Flexi 63 comes with various standard panel heights of 950mm, 1050mm, 1200mm, 1350mm, 1500mm, 1650mm and 1800mm to fulfill a corporate function of privacy and ranking levels.
